PROJECTS

Timothy Fitzgerald Estate Planning / Sole Author

Github Repository / Deployed Application

This application, built using React, is a marketing webpage for an Estate Planning Law business. It includes details about the firm, the attorney, and allows the user to contact the attorney directly via a contact form. This site is still in development, and will allow customers to create an account and upload documents directly to their customer dashboard.
• React, JavaScript, CSS, React Router, Email.js

Bullet Journal Squared / Project Manager & Front-End Developer

Github Repository / Deployed Application

Bullet Journal Squared is a website that allows users to create an account, write journal entries, and view their past thoughts and feelings.
• CSS, JavaScript, Handlebars, MySQL, Express.JS, UI Kit, Cloudinary

Pocket Rascal / Project Manager & Front-End Developer

Github Repository / Deployed Application

Pocket Rascal is a modern take on a nostalgic, childhood classic - Neopets. Create and customize your own Rascal while enjoying mini-games to collect coins that can be spent on care or additional items for your personal Rascal.
• React, CSS, Javascript, NodeJS, Matter.JS, Material UI, MySQL, Express.JS

Wacky Wiki / Project Manager & Front-End Developer

Github Repository / Deployed Application

A fun, interactive web application reminiscent of 90's MadLibz that allows you to select any topic from Wikipedia and input how ever many and whatever zany nouns, adjectives, verbs, and adverbs you would like, to randomly replace words in the article.
• HTML, CSS, JavaScript, JQuery, Bulma, MediaWiki API, WordPOS API

WORK EXPERIENCE

Ste Michelle Wine Estates / Customer Support Specialist
FEBRUARY 2020 – SEPTEMBER 2021, SEATTLE WA
• Responsible for online eCommerce web-store and website maintenance for over 20 Ste Michelle Brands, including management of inventory and customer database for CRM system, Dynamics 365.
• Created tutorial videos, wrote technical documentation and standard operating procedures, and lead training sessions for new Dynamics 365 features.

Techtronic Industries / Field Sales & Marketing Representative
SEPTEMBER 2019–FEBRUARY 2020, SEATTLE WA
